# PAYSLIP

Your payslips can be accessed in PMKeyS Self Service via the Defence Protected Network – DPN (formerly DRN) or the Home Portal (Internet) via the following path:

**Employee Self Service > My Pay > My ADF Pay > Payslips ADF**

Your most recent payslip appears at the top of the list and is usually available from the Monday before your next payday.

## PAYSLIP DETAIL EXPLAINED

**Financial Year to Date (FYTD) Amounts** – Differences may appear between the Pay Summary FYTD amounts and the total of all FYTD amounts listed on payslip line items, e.g. Hours and Earnings, Taxes and Before/After Tax Deductions. The Pay Summary FYTD amount is the total of all salary, tax and/or deductions for the current Financial Year, even if a contributing element does not appear on the current payslip. FYTD amounts on line items are only for those elements occurring in that Pay Period.

### PAY PERIOD

Commencing on payday **Thursday** (Day 1) and ending on the Wednesday (Day 14) prior to the next payday.

### PAY CENTRE

The Pay Centre number is the team or pay centre that administers your pay. You may be asked to provide this number on payroll forms.

### PAY GRADE/INCREMENT

Displays your Pay Grade and Increment level for the current pay period. Refer to your [Grade/Increment](#).

### CATEGORISATION

Categorisation is used for the purposes of determining eligibility for certain allowances and accommodation charges. From July 2023 categorisation will appear on your payslip as:

- Member (MBR);
- Accompanied Resident Family (ARF); or
- Unaccompanied Resident Family (URF)

### PAY SUMMARY

Provides a summary for both the current pay period and the FYTD for your Gross and Taxable income, Taxes, Deductions, and your Net Pay. The FYTD Taxable figure should correlate to the earnings on your Income Statement in your ATO [myGov](#) account.

### GROSS & NET PAY

Gross pay is the amount of money you receive before any taxes and deductions are taken out. Net income is the money you take home after all taxes and contributions have been deducted from your gross salary.

### EARNINGS

Provides a breakdown of the hours worked and the earnings (e.g. military salary, leave, higher duties, non-reduction pay, and other allowances), and the rates at which they were paid during the payslip period. Supplementary Payment will be shown here where applicable. Retrospective amounts will be displayed in the "Prior" column.

### UNITS

The Units column under Earnings shows the sum of each Earning for that period. Units can appear as hours (up to 112 per f/n) or days (up to 14 max), and are multiplied by the amount in the 'Rate' column to calculate the total amount.

### TAXES

Provides a breakdown of the taxes paid in the current pay period and the Year to Date (YTD) amounts for the listed taxes. Additional tax is not displayed as a separate amount.

### TAX EXEMPTION

Where applicable, each tax exemption (23AD or 23AG) will be displayed including the date from and date to.

### BEFORE-TAX DEDUCTION

Includes any deductions that are taken from gross pay. Each deduction will be displayed separately for the YTD, current and prior period (and total for the pay). In the case of recovery of an amount by instalments, the remaining balance to be recovered will be displayed.

### AFTER-TAX DEDUCTION

Includes any deductions that are taken after required taxes are applied. Each deduction will be displayed separately for the YTD, current and prior period (and total for the pay). In the case of recovery of an amount by instalments, the remaining balance to be recovered will be displayed.

### PRIOR

The Prior section of your payslip shows any Earnings and Deductions which are a result of retrospective changes. An amendment relating to a previous fortnight will appear in this column.

### EMPLOYER SUPER CONTRIBUTIONS

Details displayed will vary depending on your superannuation fund. MSBS/DFRDB will not be listed here as it is not a fortnightly payment. The amounts displayed are not included in your net pay.
